NASDAQ: BOKF

Forward-Looking Statements: This presentation contains statements that are based on management's beliefs, assumptions, current expectations, estimates, and projections about BOK Financial Corporation, the financial services industry, and the economy generally. These remarks constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipates", "believes", "estimates", "expects", "forecasts", "plans", "projects", variations of such words, and similar expressions are intended to identify such forward-looking statements. Management judgments relating to, and discussion of the provision and allowance for credit losses involve judgments as to future events and are inherently forward-looking statements. Assessments that BOK Financial's acquisitions and other growth endeavors will be profitable are necessary statements of belief as to the outcome of future events, based in part on information provided by others which BOKF has not independently verified. These statements are not guarantees of future performance and involve certain risks, uncertainties, and assumptions which are difficult to predict with regard to timing, extent, likelihood and degree of occurrence. Therefore, actual results and outcomes may materially differ from what is expressed, implied or forecasted in such forward-looking statements. Internal and external factors that might cause such a difference include, but are not limited to, changes in interest rates and interest rate relationships, demand for products and services, the degree of competition by traditional and non-traditional competitors, changes in banking regulations, tax laws, prices, levies, and assessments, the impact of technological advances, and trends in customer behavior as well as their ability to repay loans. For a discussion of risk factors that may cause actual results to differ from expectations, please refer to BOK Financial Corporation's most recent annual and quarterly reports. BOK Financial Corporation and its affiliates undertake no obligation to update, amend, or clarify forward-looking statements, whether as a result of new information, future events, or otherwise.

Non-GAAP Financial Measures: This presentation may refer to non-GAAP financial measures. Additional information on these financial measures is available in BOK Financial's 10-Q and 10-K filings with the Securities and Exchange Commission which can be accessed at www.BOKF.com.

Revised 2014 Assumptions

- ▶ Low double-digit annual loan growth
- ▶ Continued nominal pressure on NIM
- ▶ Continued reduction of securities portfolio offset by growth in loan portfolio
- ▶ Reduce the securities portfolio by \$1.2 billion over the full year
- ▶ Net interest income to be flat to slightly down for the balance of the year
- ▶ Continued strong performance from fee generating businesses
 - ▶ Favorable year-over-year comps from mortgage business in Q3, Q4
- ▶ Some expense growth in Q3, Q4 tempered by careful cost containment
- ▶ Continued loan growth will reduce the likelihood of any release of loan loss reserves.

Superior Balanced Strategy

- ▶ Management alignment with shareholders
- ▶ Industry-leading performance across all market cycles
- ▶ Strong recurring revenue model
- ▶ Sound capital base
- ▶ Pristine credit quality
- ▶ Returning cash to shareholders
